- [Schoology Notifications Settings for Parents](#)
- [What can parents see about their student in Schoology?](#)

Registering Your Parent Schoology Account

Parents will need to create a parent Schoology account. To do this, use the access code provided by your child's teacher. [Multiple parents can use the same join code](#) in order to be connected to their children. Please reach out to your child's teacher to obtain your Parent Access Code.

Signing Up for a Parent Schoology Account

- Open a browser and go to [schoology.com](https://www.schoology.com). Click Register.

- Select Parent.

- Enter the Access Code provided by your child’s teacher. Click Continue.

- Complete the form with your information. Please ensure you use your name where it says “Parent Name” and not your child’s.

When you use a Parent Access Code, you are automatically associated with your child. You can add additional children to your account. You will need the code for each child.

If you already have a parent account in Schoology for a child, you can add additional children that belong to the *same* district to your account:

1. Log in to your Schoology account using your username or email address and password.
2. Click the arrow next to your name in the top-right corner.
3. Click the **Add Child** button.
4. Enter the **Child Code** for the child you're adding. This is the same as your **Parent Access Code**, the 12-digit code in a **xxxx-xxxx-xxxx** format that you received from one of your child's instructors.
5. Click **Use Code** to complete.

How Parents Register through the Schoology Mobile App

Multiple Parent Access Codes for Schoology

Parents who do not reside in the same household with their child(ren) and may not be listed as the primary parent, but have educational rights, can have their own access to Schoology to review their child's information.

The Schoology Parent Access Code can be used multiple times to create multiple parent accounts.

Logging into Schoology as a Parent

Open a browser and go to app.schoology.com/login.

Enter the email address and password you used to set up your Schoology account. Click Log in.

The screenshot shows the Schoology login interface. At the top, it says "Sign in to Schoology" followed by "All fields are required". There are two input fields: "Email or Username" and "Password". Below the "Email or Username" field is a blue "Log in" button. To the right of the "Log in" button are two links: "Forgot your password" and "SSO Login". Below the input fields, there is a horizontal line with the word "or" in the center. Underneath the line is a QR code on the left and a blue "Scan QR Code" button on the right.

How parents log in through the Schoology mobile app (via PowerSchool Schoology Learning Support):

Schoology Basics for Parents

- [Parents Profile Information](#) - Discover how to access and update your profile.
- [Personal Account \(Parent\) Settings](#) - Discover how to access and update your account settings.
- [Parents Schoology Home Page](#) - Discover full details about your parent home page access, such as where to see "view-only" access of your child's activity in their Schoology account (use the arrow next to your name to select your child's name) and the button to [add a child](#) (allows the ability to view all your children's activities in one location).

Schoology Notification Settings for Parents

Email and text message notifications differ from the Notifications menu (bell icon) located in the top menu bar of Schoology. The notifications listed under this bell icon are not customizable. These notifications provide a running list of academic actions relating to your account only (not your child's account if you are using a parent account).

As a parent, you can elect to receive two different email alerts about your child's activity in Schoology: Parent Email Digest and Overdue Submissions Email.

Parent Email Notification Settings

1. Log in to your Schoology parent account at <https://app.schoology.com/login>.
2. Follow these instructions from PowerSchool Schoology Learning Support about [how to set up your email alerts and what information is included](#) in these alerts.
3. Repeat for each child you would like to receive email alerts.

Can Parents Receive the Same Notifications as Children?

If you'd like to receive the same notifications that your child receives, it is recommended to add your [parent] email address or phone number to your child's Notifications area. Your child must be signed in to their Schoology account to apply this change (*NOT done from your parent Schoology account*).

Setting up notifications from a mobile device

1. Navigate to the Schoology app

2. Make sure that you are logged in under your parent account.
If you are proceed to step three.
If you are not logged in under your parent account, please select home.

3. Click on the “three solid lines” in the top left-hand corner.

You are not currently enrolled in
any courses

4. Click on “account settings”

5. At the top you will see account settings, notifications and privacy settings. Select “notifications”.

6. Check which devices are receiving push notifications.

To ensure you are receiving the proper notifications, mirror the follow settings on your mobile device.

What can parents see about their student in Schoology?

A Schoology parent account provides parents with view-only access to their student's activity in Schoology.

Parents will be able to monitor and see:

- Student's courses and materials within each course
- Upcoming assignments and due dates
- Completed assignments and any overdue work
- Groups student belongs to
- Student's classroom progress
- Other course content

Where do I Find my Child's Grades?

1. Click on the Course where you want to see your child's Grades (Language Arts, Math, Social, Science, Religion, etc.).

***Important - View the course as your child to see all Grades**

The screenshot displays the Schoology 'My Courses' page. The navigation bar at the top includes 'COURSES', 'GROUPS', and 'RESOURCES'. The user's name, 'Stacey Martz', is visible in the top right. A list of courses is shown, including 'ART', 'Classroom News', 'PM Attendance', 'LANGUAGE ARTS', 'GROWTH AS A LEARNER', 'MUSIC', 'RELIGION', and 'Getting Started with Schoology'. A green arrow points from the text above to the 'LANGUAGE ARTS' course card. Another green arrow points from the text above to the user profile dropdown menu on the right side of the interface.

Where do I Find my Child's Grades?

1. Click on Grades on the left hand side to see the outcome your child is working on, their Grade (E, P, B, Pr, I), and possibly a comment.

Explanation of E, P, B, Pr, I

Descriptor	Level of Achievement	Description
Excellent	E	The evidence of learning indicates a convincing, in-depth, sophisticated understanding of the learner outcomes. Perceptive understandings and subtle distinctions are applied in varied situations. The evidence skillfully demonstrates acceptable grade level standards.
Proficient	P	The evidence of learning indicates a solid understanding of the learner outcomes. Evidence is accurate and credible without being simplistic. The evidence capably demonstrates acceptable standards for the grade level
Basic	B	The evidence indicates a basic, developing an understanding of the learner outcomes. Evidence includes the correct information, but full understanding is not yet demonstrated. The evidence meets the acceptable standards for the grade level.
Progressing Toward Grade Level	Progressing Toward Grade Level	The evidence of learning indicates a beginning understanding of the grade level learner outcomes. Evidence reveals misunderstanding or misapplication of concepts. The evidence does not yet meet the standards for the grade level.
Insufficient Evidence	I	The evidence of learning is insufficient and/or highly incomplete. Evaluation is not yet possible due to lack of evidence.
