Highlights

- Our school has witnessed high results in all measures, and has surpassed the province in all areas. We are especially proud of an increase of 10% in Parental Involvement.
- St. Martin de Porres is known for its strong Fine Arts programming. Since Fine Arts is at the heart of everything we do, we continue to celebrate and engage our students in authentic music, art, dance and dramatic learning experiences that are provided through specialized classes as well as infused throughout the curriculum. Each year, our students participate in a musical theatre production on the Main Stage at Red Deer Polytechnic.

Faith Survey Results

100% Percentage of students, parents and teachers reporting that students learn about the Catholic Faith at my school.

100% Percentage of students, parents, and staff who recognize that everyone needs to play a part in helping to make our world a better place for everyone.

100% Percentage of students, parents, and staff who would recommend St. Martin de Porres School as an excellent place to learn and work.

Targeted Areas

Our students are given many opportunities to deepen their faith through Encountering Jesus sessions and Pop-In sessions with our Faith Coach. This year, we have created a weekly news program to highlight and focus on faith connections based on the liturgical calendar. In addition, a weekly reflection question is presented as an opportunity for students and staff to witness their faith.

We began our journey with the science of reading and this year we will deepen our knowledge. Of the five pillars of reading, we initially focused on phonemic awareness and phonics. We are expanding this focus to include fluency and vocabulary, which will cumulatively make an impact on reading comprehension.

Future Priorities

- ✓ Students improve reading proficiency as a result of the effective delivery of literacy instruction and the use of the appropriate resources.
- ✓ Focus on helping our students, staff, and families encounter Christ while nurturing their call to contribute to the common good and foster respect for the dignity of the human person.
- ✓ Parents are essential partners in their child's education. St. Martin de Porres School is committed to actively involving parents in decision making.
- ✓ Continuing to enhance the delivery of our Fine Arts curriculum by hiring and inspiring teachers and staff who have a passion and appreciation for the arts.
